

CT042-3-1 & Introduction to Database

Installation

https://www.microsoft.com/en-us/sql-server/sql-server-downloads

Or, download a free specialized edition

Developer

SQL Server 2022 Developer is a full-featured free edition, licensed for use as a development and test database in a non-production environment.

Download now

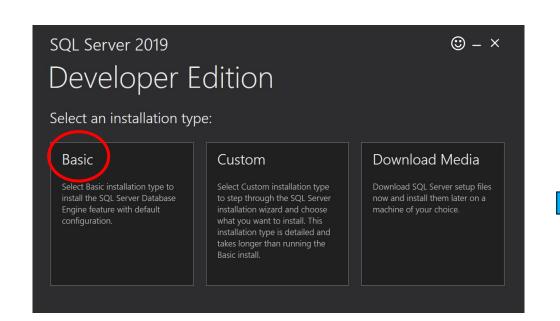

Express

SQL Server 2022 Express is a free edition of SQL Server, ideal for development and production for desktop, web, and small server applications.

Download now

Install SQL Server (Cont.)

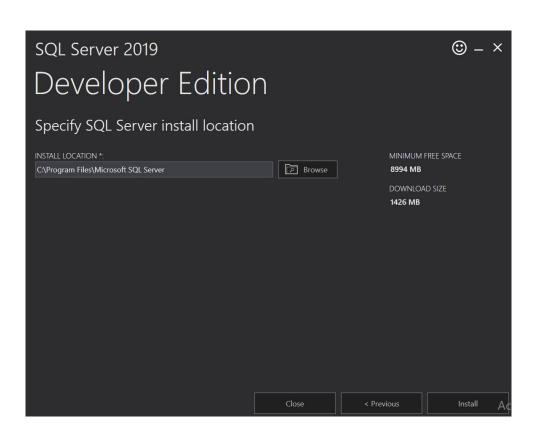

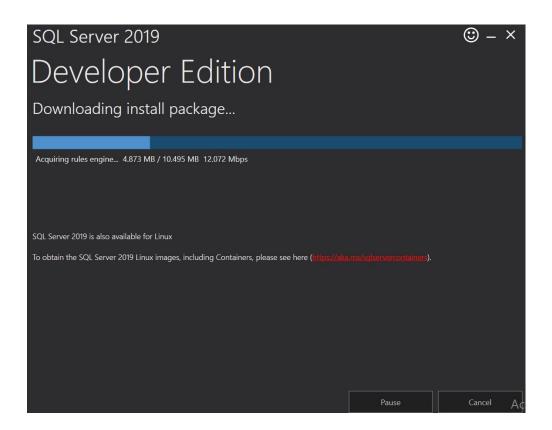

Module Code & Module Title SLIDE 3

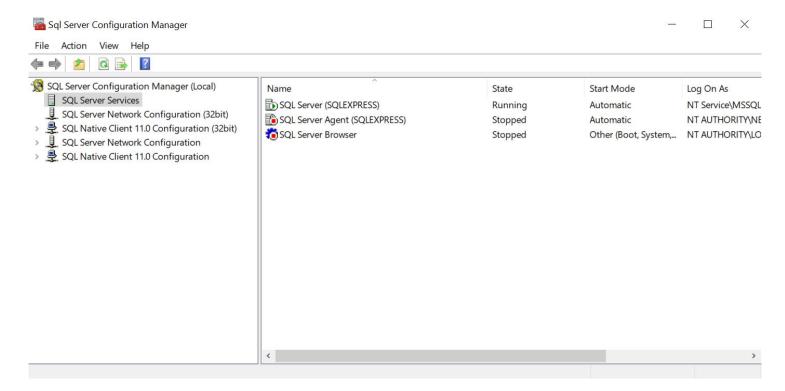

Install SQL Server (Cont.)

• Search "SQL Server 2022 Configuration Manager"

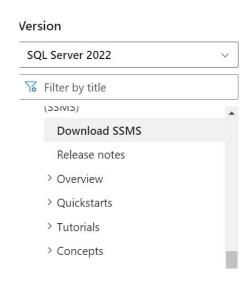

Sql Server Configuration Manager

https://learn.microsoft.com/en-us/sql/ssms/download-sql-server-management-studio -ssms?view=sql-server-ver16

Download SSMS

SSMS 19.1 is the latest general availability (GA) version. If you have a *preview* version of SSMS 19 installed, you should uninstall it before installing SSMS 19.1. If you have SSMS 19.x installed, installing SSMS 19.1 upgrades it to 19.1.

• Release number: 19.1

• Build number: 19.1.56.0

• Release date: May 24, 2023
